

# SUGAR LAND G.O. BOND

## PUBLIC SAFETY AND PUBLIC FACILITIES BOND PACKAGE

### PROJECT NAME

Public Safety Training Facility  
Phase II

### HISTORY

Currently the Police and Fire Departments perform most of their training outside of Sugar Land city limits. The facility does not meet all of the requirements and the separation from the city can cause delays to public safety responders.

The Public Safety Training Facility will enable the Police and Fire Departments to train staff within the City limits and will allow for more training opportunities.

### COST

\$10,000,000

### DESCRIPTION

Design and construction of a multi-purpose training facility, outdoor classrooms and restroom, drive track, live fire shoot house and associated paving and site work improvements for Fire and Police.

### BOND PHASE

Design and construction

*Campus Master Plan*

*Live fire shoot house, outdoor classroom*

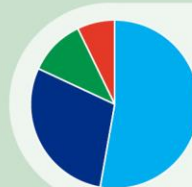

*Multi-purpose training facility, outdoor classroom*
